Status Motion for Case # CR-30320-NJR

RE: CLERK of the Court; [Include all into casefile]

I am trying to communicate to the Chief Justice of the 7th Circuit. I am sorry do not know who it is, But I have been waiting on my case decision filed May 2021.

I have only received a notice of Entry for the U.S. Attorney (Already sent to my file to request clarification / Status of case).

I still to this present day have received no communication for either the clarification / Status. I was never given an answer whether I was to receive a court appointed attorney. I received no ORDER of this nature. I have received no Decision ORDER or Answer from the U.S. Attys side to argue my motion. So it has almost been a year and since filing of my Motion I have turned 60 (5/11/61) Eligible for EOAC. Now Jan 2022 has passed under FSLA I am eligible under programming requirements (attached all documents)

We are now unable to communicate with anyone not our families as of Feb. Jan. 31st 2022 (i.e. Nationwide Lockdown of FBOP). Please I am

requesting an immediate response to yet my 3rd request as to the status / disposition of this motion of 5/2021. (make copy of reverse side) Please send entire file to Chief Justice of the circuit for Review as to why under due process this delay is a HARDSHIP for me because of my age status, ~~RM~~

Inmate Work Assignment: VT

Ms. Harris,

I graduated from the Cosmetology Program before the Pandemic with Ms. Cook
I got my hours and credits, diploma and everything. But it means nothing if I
cannot take the License Exam in Florida. I was supposed to be able to go back to
Camp in Coleman Florida where I originally came from but that Camp is now just for men.

I can only go to one place that I know has the Cosmetology Program. They have the
program at Tallahassee FCI. I really need to be able to put in for a program transfer
because I need to take the review class so that I can take the License Exam in Florida
since this is where I reside with my family.

I may be getting early release in November 2022 because of my EOHC commutation date (it's in sentry)

I want to be able to re-enter Society with my Cosmetology Professional License, because that is why we
were given the option of taking vocational training.

I would be a waste if I could not use it and it makes sense to go to where I can take the TEST to
get my professional license to work in the field.

So, I am looking for a program transfer, if you can tell me how to go about it I would appreciate it.

I also took the Culinary and got the NRA (National Restaurant Associations) food handler cert and servesafe managers cert.

I would also like to finish the program Ms. Colvin gave me my hours so I could finish somewhere else
I believe Tallahassee FCI has that program too.

If you could help me I would appreciate it.

Have a blessed day

as per these new requirements.

Sirs/Ladies:

I have been writing for more than 6 years.

I have already published, my first book, my first series, Grace collection.

It is available on Amazon.com ISBN#978-173-136-2636

Title: Saving Grace, spilt'd injustice by Kathryn Garten and Christopher Garten

3 (my progress
while incarcerated)
as a published
Author.

The only reason I , mention this book, is to show you proof of my work, published.

I am looking to re-launch this book, along with the other manuscripts of this series.

I believe with better promotion and more exposure on Social Media Platforms, the

book would do better, with an experienced publishing house.

This series right now has more than 7 manuscripts completed and could yield more, as well

as spinoff books of other main characters in the book.

I am looking for a publisher/ partner/ investor, for this first book already in the market

the re-launch, would be a way of beginning, what, I , believe could be a successful collaboration.

I hope, you will feel the same.

I am also , not a one book author, or one series, I have other manuscripts for other series, so far 6 series.

I am looking for a home for my writings. They are all different :

Grace Series, Legal Romantic Thriller Novels, Merit and Dolly Paris Novels, mystery thrillers(ex Navy Seal turned security expert and his little sister team up to solve serial killings, she is an FBI Profiler(have 3 manuscripts, so far , can be more), I have an Urban Series, Street Ladies (The life of 10 ladies and their rise to Street Queens, Urban Royalty), Another Series, 1ST Wife's Divorce Club, A Law firm of only women, who fight for women, who fight... the first book of the series, already written, titled : Love and War... in the suburbs.... there could be spinoffs from characters in this series too.), A coming of Age series, titled: One Chapter at a time(in process). I can send this one to you in real time, if I add you to my email list, Finally, A series Called Poetry from Prison, a walk through the human Spirit, vol 1, in contract with a self publishing company, can't pay the balance. They are 4 volumes of 100 poems each, vol 1. Faith, vol2.Love, vol.3Hope and vol.4 Lockdown, the poems I have been writing while locked down during the Pandemic. I am also writing a manuscript called TraffikJam, it's framed around the Jeffrey Epstein Story, a novel, that begins with the court case, that, was not.... I also have others too. I can't stop writing.

so, I thank you for your time, I , hope and pray to have the chance to be a future writer, who is published, because, I enjoy writing and having the feeling of Hope, when people read my writing. So, I pray, you are the right fit for my characters and stories.

Because as Hemmingway said " A writer can't not write."

I need a good editor, caring and a chance.

Have a blessed day
